1.4 Assessment Process

The assessment criteria outlined in Section 5 of the RED Grant Guidelines will be used to determine the suitability of applications submitted through this program.

Applications will be assessed on a competitive basis and should demonstrate:

- Alignment with one or more of the RED Grants Objectives;
- Alignment with one or more of the Pilbara Development Commission Regional Priorities/ Themes;
- Financial commitment towards the Project;
- Collaboration and partnerships;
- Local content outcomes;
- Capacity to undertake and complete the Project; and
- Project readiness.

The application form provides opportunity for applicants to demonstrate how their project meets the requirements listed above and in the Guidelines.

As part of the assessment process, applications may be subject to a due diligence process to determine organisational capacity, governance and financial management.

Applicants should note that the assessment and decision making process could take up to six (6) months to complete and this time frame should be considered when submitting your application. **Please refer to Section 6 of the [RED Grants Program Guidelines](#) for more information.**

The Pilbara Development Commission reserves the right to request additional information at any time to clarify aspects of your application.

1.5 Funding Conditions

Pilbara - RED Grants - Round 5 - Application Form Preview

Should your application be successful, you will be required to enter into a Grant Agreement outlining the conditions of the grant.

All projects must be approved and a Grant Agreement executed prior to project commencement. **No retrospective payments will be made.**

As a condition of funding, all grant recipients are required to provide a detailed Final Report (Acquittal) within 12 weeks of project completion. For projects receiving funding of more than \$50,000 the final report is to be audited by an independent auditor.

Only GST registered recipients will have GST added to the grant payment.

4 Alignment with RED Grants Objectives (Economic Growth and Development Outcomes)

* indicates a required field

Pilbara - RED Grants - Round 5 - Application Form Preview

Project outcomes

Your project must meet one or more of the RED Grants objectives outlined in the Guidelines.

Describe what is expected to be achieved and the benefits and/or outcomes of the project against the Objectives most relevant to your project.

Outcomes refer to the intended economic impact that is expected as a result of delivering the Project with the Grant funding - the expected outcomes provided should be realistic as you will be expected to report against these under a Grant Agreement and acquittal of the project if successful.

Please indicate which RED Objectives are most applicable to your project: *

- 1. Sustainable jobs
- 2. Expanding or diversifying industry
- 3. Developing skills or capabilities
- 4. Attracting new investment in the region
- 5. Increasing productivity

Applicants are encouraged to select the objectives most applicable to the project. Please provide detailed descriptions in the corresponding fields below.

4.1. Sustainable jobs

How will the project sustain jobs (direct and indirect) as a result of the grant?

Note: 'Direct employment' is the term used for the workers employed by the project. 'Indirect employment' refers to job creation and business growth in the local economy as a result of increased demand created by the project.

Please complete the below fields to indicate the Direct Employment outcomes expected as a result of the project.

- **Timeframe**- Example: 12 months, ongoing
