1. Regional Economic Development (RED) Grants Program - South West Region

* indicates a required field

1.1 Application Information

Before completing this application form please ensure you have read the RED Grants Program Guidelines available online at www.swdc.wa.gov.au

Eligible applicants can apply for funding up to a maximum of \$150,000 per project.

Businesses must contribute a minimum **50% cash** to the project. Not-for-profit or Aboriginal-owned entities may be considered on a case-by-case basis.

All applicants are encouraged to discuss their project with SWDC project officers prior to submitting an application.

This form contains mandatory fields. You will be alerted if you save the form without completing the required sections.

If you have any questions, or experience issues completing this form please contact the South West Development Commission (SWDC) on 9792 2000 or email grantscoordinator@swdc.wa.gov.au

Please note, supporting documents are supplementary to your application. Please ensure you answer all the questions and provide relevant details where required.

The closing date for applications is **Wednesday 24 August at 3pm WST.**

Incomplete applications and/or applications received after the closing date will not be considered.

1.2 Eligibility Confirmation

Please refer to Section 4 of the Guidelines to confirm your eligibility before completing this application.

I confirm the Applicant:

- Has read and understood the program Guidelines
- Is eligible to apply under the Guidelines
- Is able to demonstrate the financial viability of the organisation
- Is able to demonstrate alignment with at least one of the objectives of the RED Grants Program

Please confirm that all statements above are true and correct. *

Yes I confirm

1.3 Privacy Statement

Information provided by applicants or collected by Regional Development Commissions (RDCs) or the Department of Primary Industries and Regional Development (DPIRD) in

relation to an applicant or their application may be used in the administration of the RED Grants Program and in the assessment of this application.

Clarification of other funding sources for your project as stated in your application and project budget may be sought from the relevant funding bodies.

Any information provided (personal, financial or otherwise) will be used solely for the purpose of the RED Grants Program.

RDCs and DPIRD will store personal information collected in this application, supporting documentation and any grant administration, monitoring and evaluation activities in compliance with its obligations under the *Privacy Act 1988* (cth).

RDCs and DPIRD are also subject to the *Freedom of Information Act 1992* and documents in the possession of these agencies are subject to these provisions.

I have read and understood the privacy statement and I consent to and authorise such uses and disclosures. *

○ Yes I confirm

1.4 Assessment Process

The assessment criteria outlined in the Guidelines will be used to determine the suitability of applications submitted through this program. Applications will be assessed on a competitive basis and should demonstrate:

- Alignment with one or more of the RED Grants Objectives.
- Alignment with one or more of the South West Regional Priorities
- Financial commitment towards the Project.
- Collaboration and partnerships
- Local content outcomes
- Project readiness

The application form provides an opportunity for applicants to demonstrate how their project meets the requirements listed above and in the Guidelines.

As part of the assessment process, applications may be subject to a due diligence process to determine organisational capacity, governance and financial management.

Applicants should note that the assessment and decision making process could take up to six (6) months to complete and this time frame should be considered when submitting your application. **Please refer to Section 6 of the Guidelines for more information.**

SWDC reserves the right to request additional information at any time to clarify aspects of your application.

1.5 Funding Conditions

Should your application be successful, you will be required to enter into a Grant Agreement outlining the conditions of the grant.

All projects must be approved and a Grant Agreement executed prior to project commencement. **No retrospective payments will be made**.

As a condition of funding, all grant recipients are required to provide a detailed Acquittal Report within twelve (12) weeks of project completion. For projects receiving funding of more than \$50,000 the Acquittal Report is to be audited by an independent auditor.

Only GST registered recipients will have GST added to the grant payment.

4 Alignment with RED Grants Objectives (Economic Growth and Development Outcomes)

* indicates a required field

Project outcomes

Your project must meet one or more of the RED Grants objectives outlined in the Guidelines.

Describe what is expected to be achieved and the benefits and/or outcomes of the project against the objectives most relevant to your project.

Outcomes refer to the intended economic impact that is expected as a result of delivering the project with the grant funding – the expected outcomes provided should be realistic as you will be expected to report against these under a Grant Agreement and acquittal of the project if successful.

Ple	ease indicate which RED Objectives are most applicable to your project: *
	1. Sustainable jobs
	2. Expanding or diversifying industry
	3. Developing skills or capabilities
	4. Attracting new investment in the region
	5. Increasing Productivity
	plicants are encouraged to select the objectives most applicable to the project. Please provide
det	ailed descriptions in the corresponding fields below.

4.1. Sustainable jobs

How will the project create jobs as a result of the grant?

Note: 'Direct employment' is the term used for the workers employed by the project. 'Indirect employment' refers to job creation and business growth in the economy as a result of increased demand.

Please complete the below fields to indicate the Direct Employment outcomes expected as a result of the project

• Timeframe - Example: 12 months, ongoing

• Target - Example: 3 FTE

• Measure - Example: people employed, contractors engaged, etc.

Expected Outcome	: Timeframe	Target	Measure
1 Full Time (direct - during			
project)	Number of months	Number of jobs	

This question is read only.	Number of months	Number of jobs	How will this be measured?
2 Full Time (direct - after			
the project) This question is read only.	Number of months	Number of jobs	How will this be measured?
3 Part Time (direct - during the project	Number of months	Number of jobs	How will this be measured?
This question is read			
only.	Number of months	Number of jobs	
4 Part Time (direct - after			How will this be measured?
the project)			measureu:

7 Trainee (direct - during			
the project)			How will this be measured?
This question is read only.			measureu:
8 Trainee (direct – after the			
project)			
This question is read only.			

4.2. Expanding or diversifying industry

Which industry will benefit from the project and how will it increase the current value of that industry to the regional economy?

• Expected outcome - Example: new processing facility introduced

- Timeframe Example: upon project completion, within first 12 months
- Measure Example: new equipment commissioned, new market/s secured
- **Target** Example: 2 new clients taking 500 tonnes of product pa, 1000 tonnes product sourced from the region

Expected Outcome	Timeframe	Measure	Target

4.3. Developing skills or capabilities

What core skills or capabilities will be developed, and how we	vill this address
regional gaps and be applied to generate jobs and growth?	

- **Expected outcome** Example: skills training and job matching provided to 100 participants
- **Timeframe** Example: for the duration of the project
- Measure Example: Number of program participants, number of jobs secured
- Target Example: 80% of participants secure jobs within first 12 months

Expected outcome	Timeframe	Measure	Target

4.4. Attracting new investment in the region

How will the project unlock future investment in the organisation, industry or region? What is the source of this investment and likelihood it will be secured?

supply chains • Timeframe - Exar • Measure - Examp	mple: within 12 months le: \$value of new supp

5 Alignment with Regional Priorities

* indicates a required field

5.1 South West Regional Priorities

a higher weighting in the assessment process. Please indicate which of the following South West regional priorities/themes are MOST applicable to your project.

Aboriginal Small Business Development Maximising international and/or interstate markets or exports
Agriculture Mining
Energy Tourism and events
Manufacturing / advanced manufacturing

How does the project support the South West Regional Priorities? *

Must be no more than 500 words.

How does the project meet industry demand or an identified need in the South West region?

The SWDC Board has endorsed the following regional priorities/themes as part of its strategic plan. Projects that demonstrate alignment with the region's priorities will attract

6 Project Budget, Cash Co-contribution and Leveraged Funding

* indicates a required field

Must be no more than 250 words.

Financial Audit

For projects requesting more than \$50,000 RED funding, audit costs must be included in the budget table.

The Financial Audit must be independent of the Grantee and undertaken by a member of the Institute of Chartered Accountants in Australia, the Australian Society of Certified Practicing Accountants or the National Institute of Accountants.

6.1 Project Cash

Please detail project items to be funded through CASH contributions. Applicants should refer to Section 4 of the Guidelines to confirm items or activities that are ineligible for RED funding before completing this section.

Please attach quotes for all budget line items to justify funding requests. If funding has been secured from other sources please attach written evidence.

Note: Please enter whole dollars only.

8.4 Risk Assessment for your Project

Identify the risks associated with the Project (that the applicant can reasonably control or influence) and include issues that may prevent the Project progressing or that may hinder the achievement of the stated Project outcomes being achieved. Consider and explain the risk mitigation strategies that will minimise the effects of each stated risk.

Probability:

Risk Description

Low - Unlikely to occur during the project period and with little impact on the project

Medium - Possibility of occurrence and with some impact on the project

High - Very likely to occur during the project period and potentially impacting heavily

Please complete the Risk Assessment table below, or attach a copy of your Risk Management Plan to your application.

Must be a date.
10.2 Feedback
You are nearing the end of the application process. Before you review your application and click the SUBMIT button please take a few moments to provide some feedback.
Please indicate how you found the online application process
Please provide us with your suggestions about any improvements to the application process and/or application form that you think we need to consider.
You can also email your feedback to grantsupport@dpird.wa.gov.au.
10.2 Culturally common multiparties.

10.3 Submit your application

Please move to the next page and click Submit to complete your application.

You will receive an email to confirm your submission has been received. If you do not receive an email please check your junk email folder. Please keep a record of your submission number.

To view your submission at any time, please go to https://agric.smartygrants.com.au/applicant/login, enter your email address and password then click Log In.

Once you are logged in click on the My Submissions link near the top of the page.

NOTE: You may download a PDF of your applications prior to submission.

Thank you for your application!
