Before completing this application form, you should read the Horticultural Netting Infrastructure Scheme Guidelines to familiarise yourself with what is eligible and not eligible for a rebate. Click [here](#) to access the Horticultural Netting Infrastructure Scheme Guidelines

Applications will be assessed in the order they are received. If additional information is required the Department will ask you to provide it within five business days of the request.

If the information is not provided within the nominated timeframe your application will be declined. You may reapply when you have all relevant information at hand.

This Scheme provides a rebate, so the purchase and installation of permanent netting must be completed and fully paid for by the time you submit an application.

Applications for incomplete work or work that has not been paid for in full will be declined. You may reapply when the work is complete and fully paid for.
